

## **WRDM ETHICS RISK ASSESSMENT SURVEY (ERA) 04 – 25 MAY 2022**

### **You are requested to participate and complete the WRDM survey on ethics**

As part of our continued attempt at improving our organisational governance, we have partnered with The Ethics Institute (TEI) to carry out an Ethics Risk Assessment in the Municipality through an online survey.

**The survey will give us valuable information to help us manage the Municipality's ethics more effectively. The more responses we have, the more reliable our data will be, so please take the time to participate.**

The survey is independently hosted by The Ethics Institute to guarantee that responses are anonymous and confidential – so please give your honest views.

**The survey takes less than 15 minutes to complete.**

**Participate in the survey at the following link:**

**Closing date: 25 May 2022**

**Kindly share this information with your colleagues and encourage them to participate.**

**YOUR VOICE IS IMPORTANT TO HELP US BUILD AN ETHICAL CULTURE  
YOUR PARTICIPATION IS IMPORTANT. ETHICS IS EVERYONE'S BUSINESS**
