**EXECUTIVE MAYOR TM BOVUNGANA  
BACK TO SCHOOL MESSAGE 2024**

As we eagerly anticipate the imminent revelation of the 2023 matric results scheduled for January 18, 2024, a prevailing confidence resonates within our community, suggesting that our matric class has likely exhibited commendable performance.

While the specific outcomes remain undisclosed, the prevailing optimism serves as a profound wellspring of inspiration as we embark upon a fresh school year, teeming with opportunities and avenues for academic growth and excellence.

In extending our gratitude, we wish to express our deep appreciation to the devoted cadre of educators, support staff, and parents whose steadfast commitment has been pivotal in nurturing the next generation of scholars. Your unwavering contributions to the educational journey of our students are truly invaluable, shaping their futures in profound ways.

Let us collectively persist in our commitment to investing in education, ensuring that our students are not only academically enriched but also provided with the indispensable tools and unwavering support necessary for their holistic development.

As we raise a collective toast to the new academic year, let it symbolize a shared commitment to fostering an environment characterized by continual learning, unparalleled achievements, and widespread success throughout our vibrant community.

# **WEST RAND DISTRICT MUNICIPALITY**

Gauteng West has once-more made us proud and are a collective of efforts and courage focused on the growth, development of our communities more especially our class of 2023.

Congratulations to those who have made it. Let us not forget that we are creating a nation of lifelong learners. We also should at all times acknowledge the valuable support provided to our learners for that we need to remain grateful.
